Dear Mums, Dads and Carers,

I hope you all had a restful half term. Welcome back

Some works were being carried out internally and externally during the half term. These works included re-arranging the Nursery area and some fencing was done externally to our newly acquired land. This will be used for a new classroom provision. Below is a pre-view of what the space looks like now. We will provide pictures as changes are made to this piece of land. Watch this space....

Family International Festival 29th March 2014 (12pm – 3pm)

Count down to the Family International Festival. We would like to thank those of you who are involved in the preparation of this exciting event. If you have any ideas or contributions to make, it is not too late. We are still in need of donations for presents for the raffle draw, and more parents to join in the planning.
