

Rosh Hashanah, also known as the Jewish New Year. This Jewish holiday celebrates the completion of another year, and the beginnings of a new year. It is also the time for rejoicing, and reflecting.

Rosh Hashanah begins at sundown on Friday 11th and ends on nightfall on Sunday 13th, marking the start of the Hebrew year 5787.

Many will eat sweet foods including round challah, apples dipped in honey, and pomegranates to symbolise a good and sweet new year.

We will be learning about this festival in our Talking Times sharing experiences and reading books together to learn more.

CELEBRATING

BLACK HISTORY MONTH

Throughout October we will be celebrating Black History Month by sharing a selection of books written by black authors, singing songs from around the world and trying some tasty dishes. If you have any talents and would like to come in to share these with the children to celebrate other cultures, please speak with your key worker.

Many of our families are already doing a great job walking to school every day.

Choose an active start to your day by walking to school and reducing pollution caused by driving.

If you are getting your daily exercise by travelling to school on a bike or a scooter, you can park it in our bike shed in the Community garden.

RECYCLE WEEK 2026

14-20 SEPTEMBER

2026 has been a big year for recycling, already! New policy, upcoming changes, and packaging developments, all helping improve recycling rates. But nothing changes without people choosing to recycle. This year, we're focused on maximising the impact of these changes through our biggest campaign moment. Helping change behaviour, so that the right things go in the right bins. [Recycle Week 2026 | WRAP - The Waste and Resources Action Programme](#)

As part of our Starting School Framework, we will be learning about recycling the materials we use at the nursery, talking about the materials that packaging and resources are made from.

The children actively take part in recycling when tidying up and will also be reusing materials through junk modelling and to support our creativity with loose parts in the garden.

RESEARCH ON THE DAILY MILE

We all know 'exercise is good for you', and The Daily Mile is no exception. There are a wide variety of health and wellbeing benefits associated with daily physical activity and an emerging body of evidence supports the positive impact The Daily Mile can have on children's health.

At Rowland Hill we will restart our daily mile sessions from 14th September 2026

Wear Red Day - Show Racism the Red Card

Key information about the charity from the website – link above

2026 is the 12th Anniversary of Wear Red Day. A landmark that we are incredibly proud of. Our first celebration in 2014 saw 7,000 people registering to take part. In 2024, that figure had exploded to become 710,000 participants celebrating with us.

We couldn't be more grateful to our supporters.

For 2026, we've set ourselves a target and with your help, we think that we can achieve it.

Will you celebrate with us and be one of the 1 million?

As a supporter, you are showing your true, brave colours. As part of the team, you make us stronger.

Every heart and every mind that we change changes at least one life but has the capacity to change hundreds, if not thousands of others.

Be a proud anti-racist. Be the difference. Join us.
