Dear Families,

Please be aware that some products sold in the UK containing sand have been found to contain asbestos. Haringey Schools have been alerted by the Office for Product Safety and Standards (OPSS) that affected products are being recalled.

Families are advised to check the GOV.UK Product Safety Alerts, Reports and Recalls page to see if they have purchased any affected items. Please follow the retailer's guidance for safe return or disposal of these products.

See examples from GOV.UK of these products:
